There was a general discussion relative to the abolition of the Broadway grade crossing.

Mr. Brennan gave as his opinion that owing to the fact that Senate bill No.767 now before the legislature at Albany would repeal section 95-A of the Railroad Law of the State that it would be unwise for the two Boards to enter into any agreement at present.

Moved by Mr. Inda seconded by Mr. Staerber that each Board appoint a committee to go immediately to Albany to endeavor to either have Section 95-A of the Railroad Law remain as it is or obtain satisfactory amendment to Senate bill 767
