Item No. 46 From the table, communication from Albert J. Kamm, Town Engineer. Re: Portable Sewage Pumps.

On March 1st, bids were received and opened for two (2) four (4) inch self-priming portable gasoline driven sewage pumps and two (2) six (6) inch self-priming portable gasoline driven sewage pumps. There were five (5) bids received. However, the fifth one turned out to be a letter stating that they could not supply out demands but would like to be notified in the future of any other equipment that the town requires.

These bids were as follows: H.D. Taylor Company  
101-123 Oak Street  
Buffalo, New York 14240

Their total bid for two (2) four (4) inch pumps and two (2) six (6) inch pumps with required suction and discharge hoses was \$6,832.00 - FOB factory in Mansfield, Ohio.

Frontier Pump and Equipment Company, Inc.  
3793 Lake Shore Road  
Buffalo, New York 14219

Their price for the same above mentioned equipment was \$7,000.00 delivered to Disposal Plant #5 in Cheektowaga.

Cameron Equipment Company  
1875 Harlem Road  
Buffalo, New York 14212

Their bid on the above mentioned equipment is \$7,552.80 with an estimate for a Ford Industrial Engine on each of the four (4) inch pumps of \$1,407.60, bringing their total bid to \$8,960.40 delivered to Plant #5 in Cheektowaga.

H. Wetherald Equipment Company, Inc.  
350 Hinman Avenue  
Buffalo, New York 14216

Their bid was on two (2) four (4) inch sewage pumps for the sum of \$2,848.00 delivered to Plant #5, Cheektowaga. No bid was attached for the six (6) inch pumps.

Item No. 46 Cont'd

I recommend that the award for these pumps be made to Frontier Pump and Equipment Company, Inc. for the sum of \$7,000.00 delivered to Plant #5 Cheektowaga. These pumps satisfy the specifications as written, whereas, the pumps which H.D. Taylor Company would supply do not satisfy the specifications. Also, by the time the freight is added to the H. D. Taylor price, it would bring in as high, if not higher than the bid by Frontier Pump and Equipment Company.

Very truly yours,

/s/ Albert J. Kamm  
Town Engineer

Supervisor Weber presented the following resolution and moved its adoption:

WHEREAS bids were received on March 1, 1965, for two (2) four (4) inch self-priming portable gasoline driven sewage pumps and two (2) six (6) inch self priming portable gasoline driven sewage pumps as shown in the attached report made by Albert J. Kamm, Town Engineer; NOW, THEREFORE;

BE IT RESOLVED, that the recommendation of the Town Engineer be accepted and that the purchase of said Portable Sewage Pumps be made from the Frontier Pump and Equipment Company, Inc. 3792 Lake Shore Road, Buffalo, New York 14219 at its net bid price of \$7,000.00.

Item No. 12 Councilman Wroblewski offered the following resolution and moved its adoption:

WHEREAS, the 2% New York State sales tax which will become effective August 1, 1965, in addition to the present 3% Erie County sales Tax, will impose an unbearable burden of taxation upon all of the families of moderate income and will allow those of high income to evade their proper share of governmental costs, and

WHEREAS, the continuance of the present Erie County sales tax will require its re-enactment by the Erie County Board of Supervisors which will result in an even broader base of goods and services which will be taxed; NOW, THEREFORE,

BE IT RESOLVED, that the Governor, the State Legislature, and the Erie County Board of Supervisors, are herewith requested to immediately undertake a re-examination of other sources of revenue which are more equitable to all of the people than the sales tax, and enact into law such other taxes as a substitute for sales taxes, and be it

Item No. 46 From the table, communication from Albert J. Kamm, Town Engineer. Re: Portable Sewage Pumps.

On March 1st, bids were received and opened for two (2) four (4) inch self-priming portable gasoline driven sewage pumps and two (2) six (6) inch self-priming portable gasoline driven sewage pumps. There were five (5) bids received. However, the fifth one turned out to be a letter stating that they could not supply out demands but would like to be notified in the future of any other equipment that the town requires.

These bids were as follows: H.D. Taylor Company  
101-123 Oak Street  
Buffalo, New York 14240

Their total bid for two (2) four (4) inch pumps and two (2) six (6) inch pumps with required suction and discharge hoses was \$6,832.00 - FOB factory in Mansfield, Ohio.

Frontier Pump and Equipment Company, Inc.  
3793 Lake Shore Road  
Buffalo, New York 14219

Their price for the same above mentioned equipment was \$7,000.00 delivered to Disposal Plant #5 in Cheektowaga.

Cameron Equipment Company  
1875 Harlem Road  
Buffalo, New York 14212

Their bid on the above mentioned equipment is \$7,552.80 with an estimate for a Ford Industrial Engine on each of the four (4) inch pumps of \$1,407.60, bringing their total bid to \$8,960.40 delivered to Plant #5 in Cheektowaga.

H. Wetherald Equipment Company, Inc.  
350 Hinman Avenue  
Buffalo, New York 14216

Their bid was on two (2) four (4) inch sewage pumps for the sum of \$2,848.00 delivered to Plant #5, Cheektowaga. No bid was attached for the six (6) inch pumps.

Item No. 46 Cont'd

I recommend that the award for these pumps be made to Frontier Pump and Equipment Company, Inc. for the sum of \$7,000.00 delivered to Plant #5 Cheektowaga. These pumps satisfy the specifications as written, whereas, the pumps which H.D. Taylor Company would supply do not satisfy the specifications. Also, by the time the freight is added to the H. D. Taylor price, it would bring in as high, if not higher than the bid by Frontier Pump and Equipment Company.

Very truly yours,

/s/ Albert J. Kamm  
Town Engineer

Supervisor Weber presented the following resolution and moved its adoption:

WHEREAS bids were received on March 1, 1965, for two (2) four (4) inch self-priming portable gasoline driven sewage pumps and two (2) six (6) inch self priming portable gasoline driven sewage pumps as shown in the attached report made by Albert J. Kamm, Town Engineer; NOW, THEREFORE;

BE IT RESOLVED, that the recommendation of the Town Engineer be accepted and that the purchase of said Portable Sewage Pumps be made from the Frontier Pump and Equipment Company, Inc. 3792 Lake Shore Road, Buffalo, New York 14219 at its net bid price of \$7,000.00.
