Said property is unimproved. To be used for future construction of building to house stores and offices with living quarters upstairs. To be used presently for parking of autos for convenience of customers of restaurant owned by undersigned and located on northeast corner of Harlem and Central Boulevard.

WHEREAS, the Zoning Board of Appeals conducted a public hearing on April 20, 1966, for the rezoning of the above described pre-

mises, and

WHEREAS, a petition signed by 28 area property owners was presented in opposition to the rezoning and 8 persons appeared personally to oppose the application. The opposition was based primarily on the fact that a parking area was not necessary since there is ample parking across the street from the premises in the Town Park and that there would be snow removal problems and would devalue other residential properties in the vicinity, and

WHEREAS, the Zoning Board of Appeals has recommended the rezoning, being of the opinion that Harlem Road is primarily a business street, and realizing that it is difficult to construct further residential properties on this road; NOW, THEREFORE,

BE IT RESOLVED, that the above described property be and the same is hereby rezoned from a Residential District to a Business District with the suggestion that the owner be requested to install guard rails and shrubbery, and be it

FURTHER RESOLVED, that the Zoning Map in the Town Clerk's Office be changed accordingly.

mises, and

WHEREAS, a petition signed by fourteen nearby property owners in opposition to the rezoning was presented to the Board and ten area residents spoke in opposition to the request, most of the opposition based on a devaluation of other properties and the fact that the petitioner has been operating a bicycle business contrary to the zoning laws since approximately 1951 and that the premises are not maintained in a neat and orderly manner, and

WHEREAS, the Zoning Board of Appeals has recommended the denial of the rezoning, agreeing that further construction and further use would tend to devalue other property in the vicinity; NOW, THEREFORE,

BE IT RESOLVED, that the application of Norman D. Stranz to rezone the above described property be denied.

Item No. 38 From the table, resolution. Re: Rezoning - Richard N. Urbanski Residential to Business - (Southeast corner of Harlem Road & Central Blvd.).

Councilman Fath presented the following resolution and moved its adoption:

WHEREAS, RICHARD N. URBANSKI, made an application to rezone from a Residential District to a Business District the following described premises: (Southeast corner of Harlem Rd. & Central Blvd.)

Subdivision Lots Number Sixteen (16) and Seventeen (17) as filed in the Erie County Clerk's Office under Map Cover 1469 and located at the southeast corner of Harlem Road and Central Boulevard, Town of Cheektowaga, County of Erie and State of New York, being approximately eighty (80) feet front on Harlem Road by one hundred twenty-five (125) feet in depth. Said property is unimproved. To be used for future construction of building to house stores and offices with living quarters upstairs. To be used presently for parking of autos for convenience of customers of restaurant owned by undersigned and located on northeast corner of Harlem and Central Boulevard.

WHEREAS, the Zoning Board of Appeals conducted a public hearing on April 20, 1966, for the rezoning of the above described pre-

Item No. 38 Cont'd

mises, and

WHEREAS, a petition signed by 28 area property owners was presented in opposition to the rezoning and 8 persons appeared personally to oppose the application. The opposition was based primarily on the fact that a parking area was not necessary since there is ample parking across the street from the premises in the Town Park and that there would be snow removal problems and would devalue other residential properties in the vicinity, and

WHEREAS, the Zoning Board of Appeals has recommended the rezoning, being of the opinion that Harlem Road is primarily a business street, and realizing that it is difficult to construct further residential properties on this road; NOW, THEREFORE,

BE IT RESOLVED, that the above described property be and the same is hereby rezoned from a Residential District to a Business District with the suggestion that the owner be requested to install guard rails and shrubbery, and be it

FURTHER RESOLVED, that the Zoning Map in the Town Clerk's Office be changed accordingly.
