

Cheektowaga Supervisor Mary F. Holtz was sworn in as Vice President of the Association of Erie County Governments, with Erie County Executive Chris Collins officiating.

The Association of Erie County Governments is a non-partisan organization which brings together public officials from the cities, towns and villages and Erie County government to share ideas on common issues.

Supervisor Mary F. Holtz will serve along side Angola Mayor "Hub" Frawley, *(second from left in photo)* the new Association President, whom she has known for several years in working cooperatively on issues related to distressed properties.

"In taking on this new challenge, I look forward to learning from my fellow municipal officials and sharing what Cheektowaga has to offer, too. Together, we have the opportunity to speak with a voice that is better heard by those who can help us restore prosperity to our area, Supervisor Holtz stated."
