

## **Cheektowaga Featured on Shredd & Ragan Show's Ten Town Tour**

The Shredd & Ragan Show, heard weekdays from 3:00 PM to 7:00 PM, on radio station 103.3 FM – The Edge, featured the Town of Cheektowaga during its Ten Town Tour feature, on Thursday, October 1, 2009, broadcasting from the Walden Galleria. Supervisor Mary F. Holtz gratefully accepted an invitation from The Shredd & Ragan Show to participate in the program and share information about the many wonderful aspects of life in the Town of Cheektowaga.

Supervisor Holtz, along with Councilmember Charlie Markel, presented a proclamation saluting Shredd and Ragan for selecting Cheektowaga and ceremonial keys to the Town. Supervisor Holtz informed the duo that “the keys wouldn’t actually open any doors in Town but they double as bottle openers.”

Shredd & Ragan's Ten Town Tour selected ten Western New York towns and Cheektowaga was the second to be featured. The show spotlighted the people, food, local businesses, history and more.
