

Senator Kirsten Gillibrand Holds Informational Meeting at Senior Center

Senator Kirsten Gillibrand has been a frequent visitor to our area championing issues that hit home with our residents.

Senator Gillibrand is a member of the Senate Special Committee on Aging and, on Tuesday, August 17, 2010, Supervisor Mary Holtz introduced her to members of the Cheektowaga Senior Center where she shared with them news of legislation she is sponsoring in the U.S. Senate which aims to help seniors protect their life savings from horrible financial scams by those who would prey on the elderly. Several members shared stories with Senator Gillibrand of individuals they know who had received calls or emails from fraudulent investment scam artists.

Through Senator Gillibrand's efforts we may be able to stop the practices that target seniors and increase penalties for those who would commit these frauds.
