Really enjoyed Ray's class. Great use of humor to engage the class and cover very pertinent information. I've taken many of these classes and this was by far the best! Will definitely repeat!

Best driving class I've been to. Ray is very informative while keeping it entertaining and grabbing your attention. Very interactive. Would definitely recommend!

My husband and I always enjoy this class. It is more like attending a comedy show and safe driver class in one. Always Amazing! Great instructor! Lots of laughs! - MICHELLE C.
