TIPS TO HELP IN COLLECTION

WHEN TO PUT YOUR CARTS OUT?

Please have your waste and recycling at the street by 6:00a.m. on collection day. If crews pass and your materials aren't out, you will need to wait until next week or pay a fee for a return pickup.

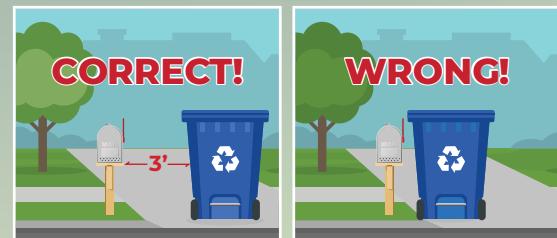

HOW SHOULD YOU FILL YOUR CARTS?

- Use your waste and recycling carts for convenient disposal and follow community guidelines to avoid service rejection notices ("Oops" tags), which will indicate why your material was not collected.
- Don't over-pack materials; they may get stuck or fall out when the carts/totes are tipped.
- Keep lids closed to prevent materials from blowing and prevent unwanted rodents.
- Excess materials above the cart height may lead to an "Oops" tag.
- Place recyclables **loose** in the cart — **no bags needed**, except for shredded paper in a clear plastic bag, which is **THE ONLY EXCEPTION**.

CART POSITION:

Place your waste and recycling carts/totes on a level surface at the street's edge. **Your trash tote handle should face the street and your recycling tote handle should face the house.** Please keep **3 feet of space** between each of your carts/totes as well as other fixed objects, such as mailboxes.
