CHICAGO, ILLINOIS

5 Days - 4 Nights

The sample itinerary described below is approximately like the itinerary your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.

- Day 1 - A morning departure from your hometown has you heading to Chicago ... known as the "Windy City". Chicago is one of the most exciting cities in the USA. After checking into your hotel in late afternoon, you will have time to freshen up before departing for **dinner** at one of Chicago's popular restaurants.
- Day 2 - Enjoy breakfast, then depart with your guide on a **tour of Chicago's highlights**. After the tour, stop at the historic **Navy Pier**, which features shops and eateries. This afternoon you will enjoy a relaxing **Architectural Cruise on Lake Michigan** with views of Chicago's skyline. Chicago's architecture is known worldwide and there's nothing like seeing it from all three branches of the Chicago River. Over 40 Chicago landmarks, including the Tribune Tower, Wrigley Building, Trump Tower and Marina City, await you on a 75-minute Architecture Tour, from hidden architectural treasures to the city's most famous landmarks. You will learn how Chicago's buildings, architecture and engineering made the city famous. After the cruise, return to your hotel to freshen up before departing for a delicious **dinner** in the area.
- Day 3 - After breakfast, depart for a visit to the **Shedd Aquarium** ... the world's aquarium with over 32,000 animals in 5 million gallons. The Aquarium's exhibits bring you face to face with incredible animals from around the world and from the local area. From sunny Philippines reefs to the Amazon's flooded forests, the rugged Pacific Northwest coast to the vast Great Lakes ... explore a world thriving with aquatic life. In the afternoon, visit Chicago's "**Magnificent Mile**" where you can enjoy some of the city's fabulous architecture as well as some free time for shopping and sightseeing on your own. A delicious **dinner** in Greektown will complete your day.
- Day 4 - Following breakfast, visit the **Chicago Fed's Money Museum**, followed by a visit to the **Lincoln Park Conservatory** where you will witness the spectacular displays. Later, head for "**Skydeck**" **Chicago Observation Deck on the 103rd floor at the Willis Tower** (formerly the Sears Tower) from which you will enjoy spectacular, breathtaking views spanning up to four states and several interactive displays. Step outside onto the Ledge's glass balcony that extends 4 feet from the Skydeck and 1,353 feet in the air. When completed in 1973, it was the tallest building in the world; currently, it is the third tallest building in the U.S. and the Western Hemisphere, and the 23rd tallest in the world. After your visit, head for the **Water Tower Place Mall** which features over 100 stores, spas and restaurants. Afterwards, head to one of the **casinos** in the Chicago area for some gambling excitement and a chance to win the jackpot. Enjoy **dinner** at one of the area's popular restaurants.
- Day 5 - Enjoy breakfast, then check out and prepare for your departure home with lasting memories of your trip to the "Windy City".
