

PLEASE KEEP IN MIND

GRASS/YARD WASTE PROGRAM

During the months of 4/13/26 THROUGH 11/13/26

The Cheektowaga Sanitation Department hauls grass/yard waste away from your home which then gets dumped at a compost facility. **As an integral part of this process, your cooperation of disposing your grass/yard waste into biodegradable bags or open containers is greatly appreciated! Please do not put yard waste in your Town-issued garbage tote. Bags and cans must be UNDER 40 pounds with a strict limit of 6 bags/cans a week.**
